ASIAN DISASTER RELIEF

Orphan Grain Train distributes relief supplies in Asia

Orphan Grain Train has received \$175,000 in matching gifts from LCMS World Relief/Human Care for Asian Disaster Relief fund. All contributions for this effort will be matched dollar-for-dollar up to \$175,000.

"OGT has been a fantastic witness to the love of Christ in word and deed. We at LCMS World Relief/Human Care are deeply appreciative of its work, and we rejoice that in the midst this tragedy we can partner in the name of Christ, and show his love in speaking the gospel and caring for the hurting, together," said Matthew Harrison, Executive Director, LCMS World Relief/Human Care.

"We are deeply grateful." said the Rev. Ray S. Wilke, President of Orphan Grain Train. "We celebrate along with LCMS World Relief the willingness of believers across the country to respond to the tragedy in an exceptional way. We at Orphan Grain Train deeply appreciate the united efforts of the Body of Christ that pervade our dear church at this tragic time."

Orphan Grain Train's Bangalore, India, warehouse is bringing clothing, food, bottled water, and other necessities to survivors in southeast India's Tamil

Nadu state. Distributions are being made in Cuddalore, Nagappattinam, and Kolachal. Local government officials have pledged to help. Orphan Grain Train ocean-freight relief shipments arrived at the warehouse shortly before and after the disaster hit. It takes six to eight weeks for an ocean-freight shipment to reach Asia. That is why Orphan Grain Train is asking for cash donations to purchase desperately needed food and drinking water now.

Additional ocean-freight shipments are also being sent to help recovery efforts.

Your gift will be used to purchase food, clean water, and supplies for survivors in the affected areas. Orphan Grain Train's relief efforts in this disaster will continue as long as funds are available.

Checks should be sent payable to:
