All items donated to OGT must be clean, usable, practical, and include the following:

- ✓ Clothing-clean, no holes, no tears or stains
- ✓ Furniture (basic, practical)-clean and usable
- ✓ Kitchenware/small appliances-must be in working order
- ✓ Children's books and Bibles (any language, version)
- ✓ Appliances (stoves, refrigerators, microwaves)- in good working condition and clean, ready to go into a home

Practical is the operative word in determining what is received, as the people who come with referrals are needing basic items to re-establish their homes and lives.

Items OGT will NOT take:

- ✓ Anything broken, dirty, or having holes; items like toys and games that are broken, incomplete, missing parts or pieces
- ✓ No books, VHS or DVD items, except children's
- ✓ No computers (except working laptops) or games
- ✓ No TVs (except flat screens)
- ✓ No Suitcases, hangers, construction materials, remodel leftovers

OGT strives to serve the Lord by being good stewards. All are volunteers who wish to use their time wisely serving others. We are not able to refurbish, repair, patch, or clean items, thus the request for clean, usable, and practical items.

Thank you for your donations and help. May the Lord bless your day.
