

Christmas Gift Boxes

Christmas gift boxes will be sent internationally to recipients who will deliver them to children that may not receive any other Christmas package. In order for these boxes to be shipped the following guidelines must be followed. Although “good meaning” variations are tempting please do not do this. It could result in all of the packages being confiscated and no child receiving any gift.

Completed boxes must be completed by September 1st so that international shipments can be made for delivery prior to mid-December. Thank you for considering this year long Christmas project. You will bring smiles to the faces of children around the world.
