The Power of One Person with an Idea.

Lois is from Madison, MN and when she saw her local dollar store was selling out socks for 25 cents a pair, plus several pairs of "croc" shoes for a dollar, she contacted the South Dakota Center.

She also informed the LWML group from Nicolai Lutheran Church in Canby, MN. Along with their \$100 donation another \$237.00 came from anonymous donors.

We received several hundred pairs of socks along with several boxes of the rubber "croc" shoes whose retail value was well over \$1000!
