ORPHAN GRAIN TRAIN

Relief for Human Need Worldwide
Mid-Atlantic Branch

October 24, 2026

Dear Friend of Orphan Grain Train,

"Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert." Isaiah 43:19 (ESV)

For the past year, we have shared with you that we did not know where we would be in 2027. Today, with deep gratitude, we can finally tell you the good news: **God has provided a new home for the Mid-Atlantic Branch in Concordville, Pennsylvania.** We will conclude operations in West Grove on **November 18**, take **December** to reorganize and prepare the new space, and **reopen for sorting and packing in January**. The mission continues — and your support helps ensure that continuity.

To strengthen that continuity, our Board Members and special donors have committed to a **$20,000 Matching Grant**. **Every dollar you give — up to $20,000 — will be matched**, doubling the impact of your gift and helping us reach **$40,000 or more** for next year's operations.

Matching period: November 1 through December 1 (Giving Tuesday). Gifts received during this window qualify for the match.

How to Give:

- **By Mail:** Please use the enclosed envelope and include your email address to help reduce postal costs.
- **Online:** Visit **ogt.org/branches/mid-atlantic** and click the **"Donate to Mid-Atlantic"** button at the top of the page.

Because of your generosity, OGT Mid-Atlantic continues to bring comfort, hope, and the love of Christ to people both near and far. In 2026, our volunteers packed and shipped **over 7,000 boxes and pieces of humanitarian aid**, including clothing, bedding, food, hygiene items, medical equipment, school supplies, and toys. We supported a variety of local charities and made **six shipments delivering 70,200 meals** and thousands of essential items to families in the **Republic of Georgia, Latvia, Liberia, Romania, and Kentucky**.

This year's shipments included:

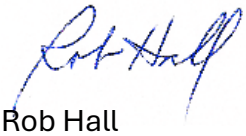

- **Republic of Georgia (two shipments):** 2,500+ units of clothing, bedding, food, hygiene items, and medical equipment
- **Latvia:** 1,212 units of clothing, bedding, hygiene items, toys, medical equipment, and sewing supplies
- **Liberia:** 1,379 units of clothing, bedding, food, hygiene items, toys, school supplies, hospital beds, and furniture
- **Romania:** 1,403 units of clothing, bedding, hygiene kits, school kits, medical accessories, and sewing supplies — our first-ever container to Romania
- **Kentucky:** 500+ units of clothing and toys for families in need

Together, these shipments totaled **65 tons** — a **20% increase over 2025**. Every box, every meal, and every shipment is a testimony to your compassion and God's provision.

As we enter this new location, **continuity** is our theme. Your gifts enable our volunteers to keep packing, keep our shipments moving, and keep our branch ready to respond with **food and disaster-relief goods** when emergencies strike. These operational funds are what make every shipment possible — and what allow us to purchase food and relief supplies when needs arise.

As we prepare our new Concordville location and reopen in January, your generosity ensures that OGT Mid-Atlantic remains ready to serve — faithfully, joyfully, and without interruption. Thank you for standing with us in faith, service, and love.

To God alone be the glory!

Rob Hall
