On April 8th we loaded another truck headed to the Psichotery Rehabilitation Center in Gabrielius, Lithuania. It included many wheelchairs, canes, crutches and walkers, as well as other medical equipment and five bicycles. **Special thanks to Rich Polwort** for repairing the bicycles we shipped.

They requested more layette kits and hygiene kits this time which we were happy to send. With the regular boxes of clothing, blankets, shoes, etc. the total count was almost 1800 boxes and items.

We appreciate the response to our request for donations when our inventory was low. Our bins are filling over again. **MANY THANKS!!** We can always count on the generosity of our donors and volunteers. But that doesn't mean we can't accept even more.

Our wish list is included on the last page of this newsletter in case you are wondering what you can donate. Feel free to copy and share our list with others. (Donations in smaller bags are easier for us to handle.) **THANK-YOU!!**

**Even though Independence Day falls on a Saturday,
we will be open.**
