

Orphan Grain Train is a Christian volunteer network that shares personal and material resources with needy people in America and around the world. Grain Train volunteers gather donations of clothing, medical supplies, food, Christian literature, and other aid to meet real needs. The Orphan Grain Train movement is a loving response to Jesus Christ's example as a servant and His love for us. Orphan Grain Train is a non-profit organization, created in 1992, to provide assistance to those in need and in natural disasters in both the United States and foreign countries.

## APRIL 2022 pg 2

The ladies from the Grove, St. Paul Lutheran, Gatesville, TX. brought us over 50 full size quilts and 35 lap size quilts. AND, that's a big AND, 101 complete school kits. So wonderful. The quilts were all beautiful.

In April Highland Haven had their Rummage sale. They had not been able to hold their sale the past 2 years. They were over whelmed with donations. We were invited to come pick up what did not sell that we can send to the border. We packed up 36 bags of clothing and the beautiful comforters you see.

We were the workers finishing the Load taken May 3, 2022 to Quemado, TX
