Chifundo, Zambia Shipment

On Monday August 10\textsuperscript{th} we loaded a container headed for a medical mission in Chifundo, Zambia. We made this shipment in cooperation with Mission Heart in Central City. The shipment included clothing, blankets, bedding, bibles, school supplies, hospital beds, medical supplies, solar ovens, mobility carts, bikes and other items. In addition, we were able to ship 42 solar panels and related equipment for the medical clinic, which frequently does not have electricity. Thanks to all of the men who helped load the container and to Cheryl Tickner and Kathy Anderson who served the lunch.

Cancellations

The 2020 Central Nebraska convention scheduled for August 29\textsuperscript{th} has been cancelled due to Directed Health Measures related to COVID-19. In addition, all of the churches planning to have fish/brat feeds in September have cancelled their events. We still have fish feeds scheduled for October at this time.

St. Leo’s Youth Work

During the past few summers, day camp youth from St. Leo’s Catholic Church in Grand Island have visited the warehouse to carry out community service projects. This year was no different. Four groups of campers worked in the sorting and packing areas during the third week of July. Because of social distancing concerns, the groups were smaller in number and accompanied by only one advisor. However, the results were the same as in past years. They did a fantastic job in a short amount of time! Thank you so much for continuing to visit OGT as part of your summer camp activities.
