

Orphan Grain Train is a Christian volunteer network that shares personal and material resources with needy people in America and around the world. Grain Train volunteers gather donations of clothing, medical supplies, food, Christian literature, and other aid to meet real needs. The Orphan Grain Train movement is a loving response to Jesus Christ's example as a servant and His love for us. Orphan Grain Train is a non-profit organization, created in 1992, to provide assistance to those in need and in natural disasters in both the United States and foreign countries.
