Michigan Makes 15th International Distribution

On June 17 Ohrphan Grain Train--Michigan completed loading humanitarian supplies for the Lutheran Church of Lithuania. After the loading here in Sebewaing and being trucked to Detroit, we anticipate the container taking approximately two months to travel first by rail from Michigan to Montclair, New Jersey for further loading at the Norfolk Pier onto a Latvian American Shipping Line container ship for crossing the Atlantic and then through Riga, Latvia and the discharge port of Klaipeda with eventual delivery to Jurbarkas, Lithuania.

Our Great Frankentrost Guys

Among our other faithful volunteers, these four men are so consistent in helping with our loading days when we "need the muscle." They drive up to Sebewaing from Immanuel Lutheran Church, Frankentrost. What a relief to always see cousins **Keith Schaeff, Tom Schaeff, Gary Schaeff, and Bob Weiss.**

Warehouse Care

Our 8,000 sq. ft. work and warehouse Center with which we have been blessed in Sebewaing for the last six years needs care as any building does. Some electrical work is being done with an outlook of converting some light fixtures to LED to take advantage of some consumer rebate opportunities.
