***One Box at a Time x
Thousands***

Max and his sister, Emelia, help load McDonald's French fry boxes from Marlette to be brought to the Sebewaing Center of Orphan Grain Train.

There the boxes become the province of **Roger Bloomfield, our faithful "box man."** Roger reverses the boxes to hide exterior markings such as expiration dates which can be problematic in foreign ports and then tapes them for use by our volunteers who fill them with relief goods of all kinds.

**We especially thank the McDonald's Restaurants
at Sebewaing, Bad Axe, and Marlette, MI
for keeping our mercy mission supplied with the**

essential components to enable sending relief
around the world.

ALMOST LIKE NEW

In the course of four days, **Jeremy VanTol** completely refurbished the
boat

donated to Orphan Grain Train--Michigan for shipment to the
Concordia Lutheran Institute for Holy Ministry (CLIHM)

The boat will allow students who must supply their own livelihood the opportunity to fish for their own food needs.

Orphan Grain Train Extension Flint

Meet Martha Kellaway

Martha Kellaway is coordinator for the exciting new extension of Orphan Grain Train--Michigan in Flint. She and her volunteers are already receiving, sorting, and boxing donated goods from that region of Michigan.

She and **Pastor Jeff Frechette of St. Mark Lutheran Church** where work is being done in space provided by the congregation, just received a load of boxes which when filled will be brought to the OGT Center in Sebewaing.
