

Dear Friends of OGT Mid-Atlantic Branch,

Sandy O'Hedy and Carla Niesen organized a **Valentine surprise for the TLP students** with their leader, Kristen Kassner who faithfully volunteer at our warehouse on Wednesdays, giving them a huge Valentine card signed by all the volunteers that day, and some gluten free cookies made by Sandy.

Rob & Jane Hall drove to South Bend, Indiana and picked up the **trailer OGT was giving us**, and then drove it back to our branch, stopping in Toledo for a break enroute home. It is 12' x 7' x 6.5' with a dual axel and will be a significant help to facilitate our pickups of collections from various donor churches. Rob says it holds 3x what a pickup truck could carry! What a blessing from OGT!

We have **looked at an available warehouse**, in Kennett Square, about 8 miles from our current location. Keep watching for other possibilities. We are hoping to move by September and we believe the Lord is encouraging us to stay **in southern Chester County**. Keep praying!

Plans are in process to send another shipment to the **Republic of Georgia** March 18 and later in March another shipment to **Kentucky**.

We recently received permission to leave some OGT MAB fliers in the foyer of the **Penn Township** Building. They have also offered us space at their major community events that draw thousands of families from the local area. They will even provide the table, chairs and tent! It is an exciting opportunity to become better known in our area. And we will have a **table at the Kennett Library Volunteer Fair on March 21 from 10-2!** A first.

Wednesday, February 25 Mike Riley picked up some donations for **Hope on Deck**, one of the organizations in our area that serves the homeless and those in extreme need in the Newark, DE area. Mike's wife Dawn, called Ma Van, runs their resource center. Ruth Hewlett has helped us connect with this wonderful ministry.

We continue to need **crocheted washcloths**. You make them in such a beautiful array of colors. Keep them coming!

Spring Mills (State College) delivered 2 pallets of various clothing March 4. Great timing!
