Students at Orphan Grain Train

A youth group from St. Leo’s Catholic Church in Grand Island recently came to the warehouse for their community service project. They enjoyed packing and sorting clothing. This is an annual summer event for young members of their congregation. We greatly appreciate what they do and invite other youth groups to come and work and learn about the mission of Orphan Grain Train.

Peace Lutheran LWML

Darlene Miller, the chairman of the LWML at Peace Lutheran Church in Shalom, sponsored a project of making 380 cloth baby diapers delivered to OGT July 6th. Pat Moss (left) helped load.

Bike Repair

A big thank you to Rick Rail who has been repairing bikes donated to OGT. Bikes are included in overseas shipments as well as in shipments in the U.S. Bikes have recently been distributed in Guatemala and Arizona.

Guatemala Shipment

A shipment was recently sent to Guatemala. Items sent include summer clothing for men, women, and children, sleeping mats, medical and hygiene supplies, school supplies, solar ovens, bicycles, crutches, and wheel chairs.
We are greatly saddened by the passing of Dick Troester. Dick served as the Central Nebraska Grand Island branch manager of Orphan Grain Train. He departed this life on Tuesday, July 27, 2021 at the age of 68.

Dick has been a volunteer since 2009, taking time off from his job with the IRS to help build additional garages for our vehicles and trailers for fish feeds and as well as collecting donations. During this time, Dick would also help load our semi trucks for overseas shipments.

Dick started his service as branch manager in 2016. He also traveled with Pastor John Reehl’s to Russia in 2016 to visit orphanages and care homes.

Dick had a servant’s heart for the Lord and for those in need. He will be greatly missed by all.
