## Latvia Shipment

We had 10 men helping load this shipment. We are so grateful for the help that comes each time we send a load. This shipment included 4 electric hospital beds, 3 regular beds with mattresses, seven 55 gallon drums, 5 dressers, 2 recliners, two 8' tables, 50 folding chairs with a rack, over 40 school chairs along with many boxes of clothing items.

## Dresses for Dolls

Barbara Lindahl has been making dresses for dolls for a while now and donating the newly clad dolls to CNE OGT. We appreciate the outstanding work. Barbara's husband Carl also comes in twice a week and helps with our computer needs as well as anything else we need done. Thank you Barbara and Carl for all you contribute to the Central Nebraska Orphan Grain Train. You are definitely appreciated!
