Shipment

The past month has been a busy one for shipments.

- On October 5th we loaded a container of clothes, quilts, solar ovens, mobility carts, household items, hygiene kits and supplies and sleeping mats. This shipment went to Honduras.
- On October 7th we made a delivery with our truck to Lame Deer, MT on the Northern Cheyenne reservation. This shipment included beds, sofas, tables, chairs, mattresses, box springs, dressers and other furniture. We also sent a washer and dryer along with various small kitchen appliances and quilts.
- On October 13th we loaded a container which is on the way to Cesis, Latvia for distribution to orphanages and other people in Latvia. We sent clothing, quilts, mobility carts, medical and orthopedic supplies, household items, wheelchairs, walkers, crutches, etc.

Thank you to all of the men who helped load those shipments and the ladies who prepared and served lunch for those loaders.

Donations Received

In the past month, we have received some large donations of infant diapers, hygiene kits, school kits, quilts, new underwear and sleeping mats from various church groups and individuals. All of these items are always in high demand by the people that we ship to. Thank you to all of the groups and individual for these donations.
**Cambridge Thrift Store**

On September 20th, members of St. Paul’s Lutheran Church in Cambridge boxed clothing etc. from the local thrift store. All together almost 150 boxes were filled. Thanks to the St. Paul’s members and to Al & Bev Nixon for traveling to Cambridge to load the boxes and transport them back to Central Nebraska OGT.
