Domestic Aid

Domestic shipments within the United States from the Norfolk warehouse totaled 99 semi-loads during the 2020-21 Fiscal Year. Some of the shipments delivered food and goods to facilities for our Veterans, to homeless shelters and food banks. Other shipments went to reservations in

six Western states, to Texas for border missions and also help those in need in the Appalachian Mountain region of Kentucky.

Back hauls from domestic deliveries were used to pick up donations along the way from businesses, schools, hospitals, as well as from several churches that are on the regular route.

Disaster Relief

OGT Disaster Relief was able to help in many different ways during the 2020-2021 year. In June on 2020 masks were delivered to essential workers. In September 2020, Brent Kummer, Director of OGT Logistics and Bob Schleppebach, one of OGT's drivers delivered and set up a bedroom and shower unit in Sulphur, Louisiana. The units were used by volunteers cleaning up and rebuilding after hurricane Laura. They also delivered a portable power unit, 38 pallets of bottled water, tools, fans, shovels, and three dehumidifiers. In March on 2021 a massive winter storm caused devastating damage in Texas. Three of OGT's tankers were filled with drinking water and delivered to three different locations in Texas that were in desperate need of water. The plea for help came in and we responded with disaster relief efforts for the massive winter storm. Each tanker holds 6,000 gallons of water which was donated by the city of Norfolk. OGT also delivered a load of baby formula, bottled water and plumbing supplies to San Antonio to help aid in the relief efforts.

Orphanages, Prison, and Hospitals

The Adopt an Orphanage Mission continues to be blessed with a number of supporters that help the Mission not only in the United States, but also in the countries of Western Russia, Latvia, Estonia, Lithuania & far Southern Russia. "Thank you" for another awesome year!!

An Army of Volunteers

The mission of Orphan Grain Train is uniquely dependent upon their dedicated volunteers, many of whom have given numerous years of service for the sake of others. During the 2020-2021 Fiscal Year the total number of volunteer hours for this fiscal year was 106,752.80, which if we paid the volunteers \$9/hour the cost to the organization would have been about \$960,775.20. We can never repay the debt of gratitude owed to each and every one of our faithful, dedicated, hard-working volunteers. Thank you all ever so much.

Mission Statement

In loving response to Christ, the Servant, the Orphan Grain Train movement encourages and enables God's people to share personal and material resources in bringing Christ's name and character to needy people, both far and near. Sometimes that character expresses itself as a word well spoken, sometimes as a bandage well applied, and sometimes as a child well fed.
