

Orphan Grain Train is a Christian volunteer network that shares personal and material resources with needy people in America and around the world. Grain Train volunteers gather donations of clothing, medical supplies, food, Christian literature, and other aid to meet real needs. The Orphan Grain Train movement is a loving response to Jesus Christ's example as a servant and His love for us. Orphan Grain Train is a non-profit organization, created in 1992, to provide assistance to those in need and in natural disasters in both the United States and foreign countries.

July 2022

July 22nd we took our 4th load to Cornerstone Children's Ranch in Quemado, TX. As you can see in the picture we have been blessed with many more workers. Our workers are joining us from Walburg, Georgetown, and Burnet. And sometimes the workers clown around. Meet Gary Cooper with his tape gun and his scarf.

Above are packers, Carol, Myrna, & Alice. Kathy is taping shut Alice's box.

September 2022

September and we are taking another load to Cornerstone Children's Ranch in Quemado, TX. We are happy we have been able to take these many shipments. This was #5. Ya'll have been very generous to us and the Lord has provided.

The sorters and packers who helped with this load especially this day. On the left Myrna, Kathy, Gary, Dianne, Alice, Marvin, Sharon, Denise, Peggy and Joy. Ray was taking the picture.

David Brown, Gary, and Mike Childers took the load to Quemado. There was only one person at the warehouse to help them unload. Gary can always use help unloading if anyone would want to help take a load down. It is a 12 hour day.

Quemado warehouse is very full. The boxes in the middle of the floor are our boxes they just unloaded.
