INDEPENDENT AUDITORS' REPORT

Orphan Grain Train, Inc.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Orphan Grain Train, Inc. (a non-profit organization), which comprise the consolidated statements of financial position as of May 31, 2025 and 2024, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Orphan Grain Train, Inc. as of May 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Orphan Grain Train, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orphan Grain Train, Inc.'s ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement

To the Board of Directors
Orphan Grain Train, Inc.

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- a) Exercise professional judgment and maintain professional skepticism throughout the audit.
- b) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- c) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Orphan Grain Train, Inc.'s internal control. Accordingly, no such opinion is expressed.
- d) Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- e) Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Orphan Grain Train, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidated schedule of functional expenses for the current year, the consolidated schedule of functional expenses for the prior year, the statements of financial position and activities – OGT Logistics, LLC, and the statements of financial position and activities – Hope for the Starving, LLC are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTE 11 – FAIR VALUE MEASUREMENTS

The Organization has adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Section 820-10 which provides a framework for measuring fair value under generally accepted accounting principles. FASB ASC Section 820-10 defines fair value as the exchange price which would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Section 820-10 requires valuation techniques to maximize the use of observable inputs and minimize the use of unobservable inputs and establishes a fair value hierarchy, which prioritizes the valuation inputs into three broad levels. The three levels of the fair value hierarchy are as follows:

Level 1: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities which the Organization has the ability to access at the measurement date.

NOTE 11 – FAIR VALUE MEASUREMENTS, CONTINUED

Level 2: Level 2 inputs are inputs other than quoted prices included within Level 1 which are observable for an asset or liability, either directly or indirectly.

Level 3: Level 3 inputs are unobservable inputs for an asset or liability.

The estimated fair values for Orphan Grain Train, Inc.'s financial assets and liabilities measured on a recurring basis as of May 31, 2025 are as follows:

NOTE 12 – NET ASSETS WITH DONOR RESTRICTIONS

Substantially all of the restrictions in net assets as of May 31, 2025 and 2024, are related to funds received for humanitarian aid or other needs of the association.

Net assets with donor restrictions totaled \$4,339,400 and \$5,508,413 as of May 31, 2025 and 2024, respectively. Net assets with donor restrictions consisted of \$476,691 and \$445,581, respectively, in endowment certificate of deposits that earn interest which are restricted for assistance with the Adopt an Orphanage, Hanna House programs, and expanding the branches of the Organization.

NOTE 13 – SHIPPING COSTS

Shipping costs of \$119,370 and \$139,988 are included in program costs on the statement of activities for the years ended May 31, 2025 and 2024, respectively.

NOTE 14 – ENDOWMENT FUNDS

The Organization has four endowments. One endowment consists of a fund established for the Adopt an Orphanage program. Its endowment includes only donor restricted funds. The second endowment consists of a fund established for the operational needs of the Orphan Grain Train's Wisconsin branch. Its endowment includes only without donor restricted funds. The third

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS, CONTINUEDMAY 31, 2025NOTE 14 – ENDOWMENT FUNDS, CONTINUED

endowment consists of a fund established for the Hanna House program. Its endowment includes only donor restricted funds. The fourth endowment consists of a fund established for expanding the branches of the Organization. Its endowment includes only donor restricted funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization has interpreted the Nebraska Uniform Prudent Management of Institutional Funds Act (NUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with NUPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

A summary of the change in endowment net assets for the year ended May 31, 2025 is as follows:

Endowment Net Assets - With Donor Restrictons,

Investment Return Objectives, Risk Parameters and Strategies: Endowment assets will be invested in 75% stocks and 25% bonds with income, up to 5%, benefiting Orphan Grain Train, Inc. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Spending Policy: The Organization may appropriate income from the endowment of up to 5% for the benefit of the Organization.

NOTE 15 – RELATED PARTY TRANSACTIONS

The Organization has a bank account set up under a board member's name to use to wire funds to Russia and the Baltic States for the support of the orphanages, prisons and hospitals. The account is set up in the board member's name because wires from a corporation could cause the people receiving the funds to be declared "foreign agents" and place them in danger. Prior to sending a wire, funds for the amount of the wire are transferred from the Organization into this bank account and then wired to Russia or the Baltic States. In between wires, there is only a balance of \$150 kept in this bank account.

The Organization receives generous contributions from various board members throughout the year. These donations are generally in the form of cash.

NOTE 16 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

As part of the Organization's liquidity management plan, cash in excess of daily requirements is invested in short-term investments and savings accounts, and money market funds. As of May 31, 2025, the Organization had \$9,051,256 of financial assets available within one year of the balance sheet date to meet cash needs for operating expenditures, consisting of cash and cash equivalents of \$8,688,979, \$37,255 of funded endowments, and \$325,022 of campaign pledge receivables.

As of May 31, 2024, the Organization had \$10,515,577 of financial assets available within one year of the balance sheet date to meet cash needs for operating expenditures, consisting of cash and cash equivalents of \$9,779,683, \$35,583 of funded endowments, \$10,538 of accounts receivable, and \$689,773 of campaign pledge receivables.

NOTE 17 – REVENUE RECOGNITION

The Organization receives donations of cash and gifts-in-kind from the general public. The Organization will ship donated items to partner organization in the United States and around the world at a reduced rate from fair value. In addition, the Organization will sell food supplies to other non-profit organizations. Accounts receivable from customers were \$0 and \$10,538 as of May 31, 2025 and 2024, respectively. No allowance for doubtful accounts has been established.
